

FIG. 1

FIG. 2

The diagram shows a rectangular device 1. The top edge is labeled 1a and the bottom edge is labeled 1a. There are five small circles (vias) on the top edge and five on the bottom edge. In the center of the device is a rectangular component 3. The top edge of component 3 is labeled 3a and the bottom edge is labeled 3a. There are five small circles (vias) on the top edge of component 3 and five on the bottom edge. A central vertical channel 3b is formed by a series of horizontal bars 3c. A vertical line 3d is located on the right side of the central component 3. A coordinate system is shown on the right with a vertical arrow labeled Y and a horizontal arrow labeled X.
